**Section 2**  
**Local Area 911 Implementation**

List all individual local areas covered by this report (e.g., Lee County, Virginia):

Carroll County, Missouri

Worth County, Missouri

Steuben County, New York

Columbiana County, Ohio

McIntosh County, Oklahoma

Atchison County, Missouri

Okfuskee County, Oklahoma

(a) For each area listed above, identify the emergency response point to which 911 calls will be routed.

Carroll County, Missouri – 911 calls currently being routed to Carroll County Sheriff.

Worth County, Missouri – 911 calls currently being routed to Gentry County Sheriff.

Steuben County, New York – 911 calls currently being routed to Steuben County Sheriff.

Columbiana County, Ohio – 911 calls currently being routed to Columbiana Sheriff.

McIntosh County, Oklahoma – 911 calls currently being routed to McIntosh County Sheriff.

Atchison County, Missouri – 911 calls currently being routed to Atchinson County Sheriff.

Okfuskee County, Oklahoma – 911 calls currently being routed to Okfuskee County Sheriff.

(b) For each area listed above, provide details of the carrier's progress in completing translation and other work necessary to route 911 calls to the identified emergency response point.

As indicated by the certification statement below, Dobson Cellular Systems, Inc. has completed the translation and other work necessary to route 911 calls in the identified markets to the identified emergency response points.

(c) For each area listed above, provide the date or projected date that transition to the 911 abbreviated dialing code will be completed.

### Section 3

#### 911 Implementation Problems

(a) Describe any problems the reporting carrier has encountered in identifying 911 number call routing points. Describe any other operational problems carrier has experienced during the initial transition stages.

As Dobson Cellular Systems, Inc. has completed the work necessary to route 911 calls to the identified routing points, it is not currently experiencing any difficulties.

(b) Where the reporting carrier has experienced 911 implementation problems, describe any efforts the carrier has made to coordinate with public safety agencies and state and local authorities.

## Section 4

Certification - To be signed by an authorized representative of the reporting entity

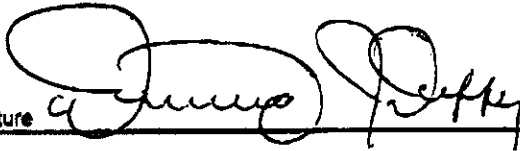

I certify that I am an authorized representative of the above-named reporting entity, that I have examined the foregoing report and to the best of my knowledge, information and belief, all statements of fact contained in this form are true and accurate statements of the affairs of the above-named company.

I certify that I am an authorized representative of the above-named reporting entity, that I have examined the foregoing report and to the best of my knowledge, information and belief, all statements of fact contained in this form are true and that the reporting entity has completed the steps necessary to properly route 911 emergency calls in the localities covered by the report as of

3-11-02

Signature

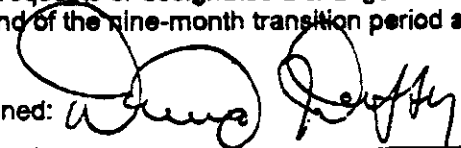

Printed name of authorized representative Timothy J. Duffy

Title- Senior Vice President of Network Operations and Engineering

Date 3-11-02This filing is: ☒ original filing ☐ revised filing

Pursuant to Public Notice DA 02-507, Dobson Cellular Systems, Inc. hereby certifies that as of March 11, 2002, it has been delivering 911 calls to a Public Safety Answering Point or an appropriate local emergency authority as described in the Fifth Report and Order in this proceeding (CC Docket No. 92-105, WT Docket No. 00-110) and has completed the technical and routing elements of the 911 transition in each of the local areas covered by this report. In accordance with Public Notice DA 02-507, Dobson Cellular Systems, Inc. shall file a second transition report in the event a State or local jurisdiction covered by this report requests or designates a change to a preferred designation point for routing emergency calls prior to the end of the nine-month transition period as defined in the Fifth Report and Order.
